1. In order for children to attend field trips, it is **MANDATORY** to wear a **Child Prodigy Summer Camp T-SHIRT!** Any child not wearing a Child Prodigy T-shirt will not leave our facility; **NO EXCEPTIONS!** Each group will have their own color. Children will not be permitted to borrow another child's T-shirt to attend field trips.
2. Children must wear **TENNIS SHOES** on all field trip days.
3. Sunscreen should be applied by parents in the morning before arriving to Child Prodigy, and we will re-apply around 12pm. Each child must supply **one spray bottle of SPF 50+ SUNSCREEN** to be used for general use. We will use the same sunscreen on every child unless your child has specific sunscreen needs, for example, an allergy. If at any point during the summer we run out of sunscreen, each family will be asked to bring in an additional bottle.
4. Please bring one box of **TISSUES** per child
5. Drinking water will always be available to the children. We will provide water, but children should bring a **WATER BOTTLE** daily (clearly labeled with their name!) to take with them on field trips and outside at the center. Children's individual water bottles are their responsibility to keep track of and must be taken home and sanitized on a daily basis.
6. A labeled **SACK LUNCH** must be provided on a daily basis. Please, no refrigerated or microwave items! Children's lunches will only be kept in the cubbies or a cooler. If by chance your child forgets a lunch, we will provide them with milk, a sandwich, fruit, and vegetable at the cost of \$5/time.
7. Every child should bring a **swimsuit, towel and water/slip on shoes** in a labeled bag on water play days or days attending the pool. (Please do not send their belongings in a "Wal-Mart/Target" plastic bag- these bags rip and belongings get lost!)
8. Water-less **hand sanitizer**

Important Information:

- Our phone number is (816)246-7130. School Age/Kitchen extension: 228, Front desk extension: 221 Communication between Parent/Teacher/Child is essential. Please contact a summer staff member immediately if there is anything that needs to be discussed or resolved. This also pertains to any change in your child's normal daily schedule (Dr. Appointments, leaving early, not going swimming, vacation days, etc.). **Please put any of these changes in the form of a written note with date!**
- Field Trip Schedules will be made and posted in the classrooms and online explaining destination, times, and any special needs for each month. **IF YOU HAVE ANY QUESTIONS AT ALL ABOUT THE SCHEDULE, PLEASE ASK!** Our goal is to minimize any confusion and have everyone on the same page. If this is your first summer with Child Prodigy, you will probably have a lot of questions; do not be afraid to ask!
- If a change is made to the schedule, the change will be posted immediately. Since we are on the go so much, it is imperative to make us aware of ANY changes to your child's normal schedule; otherwise, your child may not be available at the center for a sudden pick up.
- If children arrive at the center after 8:30am roll call, they should immediately check in with the teacher and sign-up for any activities they would like to participate in that day.
- Children participating in any activity for the day, field trip OR afternoon swimming, will return to the center by approximately 4:30 pm.
- Teachers in the classroom have posted rules for summer regarding toys from home, etc. Please make sure these rules are followed at all times! Electronic games such as Nintendo DS, tablets, etc. will be allowed during designated times only. If your child chooses to bring something, it is solely THEIR responsibility and the teachers will not keep track of their personal items.
- No cell phones!
- **Participation on all field trips will depend upon each child's ability to exercise an appropriate level of self-control, both on and off site and on the center's vans. Safety is our top priority!**
- Teachers are responsible for physically checking each child's seat belt (that it is on and properly tightened) prior to starting the vehicle, as well as completing a seating chart and van procedure checklist. Should a child unfasten their seatbelt while the vehicle is moving, other than in an emergency, they will not be permitted to attend the next field trip. (A minimum of 1 lost trip!)
- While out of the building, groups will be moved with a teacher in the front of the group as well as a teacher in the rear of the group. A head count of the children will be done every 10 minutes. Roll call (with the child responding) is taken every 30 minutes.
- Teachers will accompany all children to the restroom, checking each restroom prior to allowing the child to enter. The buddy system may be used for responsible, older children.
- A cell phone is available for our staff at all times while they are out of the center for any emergencies or event changes, in which case the center will be notified immediately.
- If a field trip is rained out, we will try to schedule an alternative trip. If this is not possible, we will schedule a make-up field trip to replace the one they missed out on.
- If a trip is completed early, we may take advantage of this extra time and go to a nearby park.
- Child Prodigy will NOT provide transportation to or from Summer School.
- Child Prodigy will use our electronic system, HiMama, to track attendance (sign in and out), send daily reports and updates, and e-mail communication. Please make sure you are registered for our system.

Swim Lessons

***Additional form required!**

Child Prodigy has made arrangements for our students to participate in swim lessons at the Longview Recreational Center. These lessons are taught at a ratio of 1:4, so spaces will be limited to 12 spots per session. Because of the limit in spots, you will not be able to sign your child up for multiple sessions until each child who desires to take swim lessons has been able to sign up for at least one session.

All sessions run Monday-Thursday for 2 weeks (total of 8 classes) for 30 minutes each. Cost for one session is \$45.00. All sessions will begin at 9:00am so we will leave the centers no later than 8:30am. Children participating in swim lessons must arrive at Child Prodigy dressed in their swim attire and ready to go. All children MUST have a complete change of clothes to change into after the lesson is completed.

Session 1: June 18-28

Session 2: July 09-19

In order to be considered “Signed-Up” for a session, we must have your check made out to Longview Recreation Center and the fully completed registration form (including the liability waiver) for Longview. Once you have signed up for a session, you may be put on the wait list for other sessions, should we have room become available.

Afternoon Swimming

***Additional form required!**

During the summer, the children have the option to go swimming at least 3 afternoons a week (detailed on the field trip schedule) at **Legacy Park Community Center** from approximately 2:00-4:00pm.

If you would like your child to be able to attend afternoon swimming (THIS IS NOT REQUIRED), you must purchase a pass for your child. This year, Legacy is offering us a great deal if we purchase “Flex Passes” as a group. **The cost for this pass is \$55 for June 1-August 31.** To get this rate, Child Prodigy MUST sign the kids up as a group so please make a SEPARATE check out to Child Prodigy for \$55 and fill out the Legacy Park Membership Agreement, both due by May 1. If you return these AFTER May 1, please add an additional \$5 to the check (\$60 total) as that is the cost they charge us to add additional students. We will take care of registering and purchasing the pass through Legacy since we have to do it as a group. We are not able to start swimming until June 1st, so we will have fun activities planned for the kids before this date. We will also take the kids up to have their picture taken and complete registration in the afternoons prior to June 1 so that we may begin swimming on the 1st! If you do not want to purchase a summer pass for your child, there is the option to pay for a one day pass for \$6/visit.

There are two different pools to play in: One area with walk-in water (zero entry) that only goes up to 3 feet, this area includes play equipment and a small lazy river section; Second area is a deeper lap pool with a large water slide. These pools are indoors so there is no risk of sunburn, and we will be able to attend almost every day regardless of the weather (field trip schedule permitting). Legacy does provide some life jackets for general use, so please make sure to clearly mark on the consent form exactly what areas your child is to be allowed to play in.

Skating Lessons @ Landmark Skate Center

Landmark will open exclusively for Child Prodigy to offer Beginning AND Intermediate skating lessons for six 1 hour long sessions followed by a free skate after each session as the field trip schedule allows. The cost for the 6-week class is \$60.00. The children will go on Friday mornings from 9:00-11:00am (scheduled to not interfere with swim lessons or other field trips) on the following dates: June 1, 8, 15, 22, 29, and July 6.

To register for this class, you must bring a check for **\$60 made out to Landmark 2 Skate**.

We have to have at least 12 students from each center sign up for this class (24 total) to be able to attend! This is a really cool program with lots of individual attention to each student to make sure they have the best experience possible and a great opportunity for your child to get some exercise and get out of the building for a while!

BPM Dance Complex

***Online form required!**

BPM Dance Complex will have a 55 minute acrobatics/dance class held exclusively for Child Prodigy Students on Mondays at 12:00pm. This class will run June 4-July 30. The cost of the class is broken down as \$55 for June (4 weeks) and \$55 for July (4 weeks- no class on July 2) OR \$110 if you wish to do both June and July. There is NO Enrollment Fee for this class! If your child will be enrolled in Summer School, you may begin the class on the week following the end of summer school.

Your child will work on keeping rhythm, learning the fundamentals of dance and music, and stretching their muscles.

If you wish to enroll your child in this dance class, you must fill out the Bpm Dance Complex Registration Form Online at BPM Dance Complex.com/register. June tuition should be paid in full before classes begin.

Ice Cream Fridays (Optional)

Returning this year: Ice Cream Fridays! Beginning Friday, June 1, children will have the option to bring \$1.00 to have an ice-cream sundae for afternoon snack instead of the snack listed on the monthly menu. You may bring \$1.00 weekly for this, or chose to pay upfront \$10.00 for the entire summer. If you would like your child to participate in this, please pay in cash at the front desk. Thank you!

J.R. KARATE KIDS

***Additional form required!**

Karate Kids will be conducting an 8 week course on Tuesdays from 9:00-10:00am. This course offers basic training on 10 fundamental skills that your child is currently developing. These 10 skills include the following: Focus, Teamwork, Balance, Memory, Fitness, Stranger Danger, Respect, Discipline, Control and Coordination.

We cater to children's needs by targeting their stage of development physically, emotionally, intellectually and socially. We strive to make our classes educational and fun at the same time!

The cost for this program is \$120.00 (uniform included) for the 8 week course and a graduation ceremony at the end of the course, which will include a special presentation and award for the completion of the program. Classes will run June 5-July 31 and Graduation will be held August 7. Registration form and payment needs to be returned to school by June 1st.

Please read and initial by each Policy/Procedure and sign and date the bottom of the form.

- Field Trip Schedules will be made and posted monthly explaining destination, times, and any special needs for each month. If a change is made to the schedule, for example on a rainout day, the change will be posted immediately, but we understand this may happen after you have already dropped off your child. Because of this, it is **EXTREMELY** important that you let us know if you have any restrictions on field trips your child is able to attend and make us aware of **ANY** changes to your child's normal schedule; otherwise, your child may not be available at the center for a sudden pick up. A cell phone is available for our staff at all times for any emergencies or event changes, in which case the center will be notified immediately. _____
- Communication between Parent/Teacher/Child is essential. Please contact a summer staff member immediately if there is anything that needs to be discussed or resolved. This also pertains to any change in your child's normal daily schedule (Dr.'s Appt., leaving early, not allowed to go swimming). **Please put any of these changes in the form of a dated, written note.** _____
- **Safety is our number one concern**, and we will not take a child off site who has not demonstrated an appropriate level of self-control on and off site, as well as on the center's vans, as this poses a safety risk to all of the other children. Participation on field trips based on this factor will be decided by Child Prodigy Staff with the support of the Director and communicated to parents. _____
- Drinking water will always be available to the children. We will provide water, but **children should bring a water bottle daily to take with them on field trips and outside at the center.** Children's individual water bottles are their responsibility to keep track of and must be taken home and sanitized on a daily basis. _____

- Because of the large number of children participating in our program and limited van capacity, children will not be able to go to the pool for afternoon swimming on days that they have their weekly designated field trip. Children wishing to go swimming must let the teachers know on a daily basis upon arrival so we can get an accurate count. We also ask that children who do **NOT** plan on attending their designated field trip let us know as soon as possible. _____
- Sunscreen should be applied by parents in the morning before arriving to Child Prodigy, and we will reapply in the afternoon. **Each child is responsible for bringing one SPRAY bottle of SPF 50 or greater sunscreen at the beginning of summer for general use.** _____

- **A labeled sack lunch must be provided on a daily basis.** No refrigerated or microwave items allowed! Children’s lunches will only be kept in the cubbies or a cooler. Previously, we have offered to provide lunch for children on a weekly basis, this is **NO LONGER AN OPTION!** Because of their busy schedule, each child **MUST** bring a lunch daily. If by chance your child forgets a lunch, we will provide them with a sandwich, fruit, and vegetable at the cost of \$5/occurrence. _____
- **Purchasing a pool pass is NOT a requirement.** _____
- **Every child should bring a swimsuit, towel and water/slip on shoes in a labeled bag.** (Please do not send their belongings in a “Wal-Mart/Target” plastic bag- these bags rip and belongings get lost!)
